My Beloved Judy,

Another Sunday is here which means a complete day of rest, no details or training. In the afternoon I saw a trench V.S.O. show, the performers being French and they put on a good show. It was similar to the average V.S.O. traveling show, consisting of six performers, a novelty act, a singer and a dancer plus a accordion player completed the show. The singer spoke a broken English

after seeing the V.S.O. show I went to the movies to see Benny Goodman in "Swing and Sweet Love". Just hearing B.G. beat it out was enjoyable

The news on the western front is encouraging once more but the important thing is to hope for a breakthrough.

all my loves kisses

James Jones
