My Dear Judy,

Today I found out exactly what company Howard Harris was in and tomorrow I believe I'll be able to visit him. It so happens that there are a few fellows from the 134 Ordinance crew working on tanks very near to where I am. I spoke to them as asked if Howard was in their company and luckily the reply was yes, so I know exactly where to go and more important I can obtain transportation from one of these fellows who makes a daily trip back to his Ordinance outfit and returns here. He is acting as liaison between this certain tank outfit and his own unit. What a break. I don't think I'll have any difficulty obtaining a few hour pass.

No mail again today dearst, but regardless I love you with all my heart now and forever

Bern
