My Beloved Judy,

April 7, 1945

I just finished writing you a air mail letter but I'm also writing you this one, in the event the other letter takes a long time to reach you.

I received many letters from your darling and I answered all your questions in the letter I just finished.

Mainly I want you to know in case this letter reaches you sooner is that I'm okay and in good health.

I've been extremely busy recently darling, I don't check it's so necessary to tell you as you must have a inkling from the latest news reports on our progress.

Take it easy now honey, but for how long I haven't any idea. I don't think it will be long because now is our opportunity to finish the job, once and for all. I hope

Alton L. Sisson
