my 3 cloud judge,

we were official informed today that there will be a division move within a few days; that will mean another moving day. I won't be surprised if we occupy the area now held by my former division, as the remaining men in the 1st Δ division are supposed to transfer to the 2nd Δ division.

I regretted to hear the news on our possible move within a few days cause the monthly box will not be finished, now the box is in the process of having an inner lining, after that I was going to bring it to the painter but now, I have my doubts, as it will require him five days to finish his job, therefore I better wait, oh, what problems, but honey its keeping me occupied and when I know hats its for you,

thus far honey, I haven't receive any mail from this company and I can't understand the delay in my letters, the forwarding of the letters, I'm getting mad, and I better get a few letters soon, or less, I'll personally have to get the mail clerk, on the ball.

This evening the movie the "Great John L" is going to play in our company area and in about fifteen minutes, I intend seeing the show.

This morning I went to the radio class and during the ea afternoon I played a game of soft wall.

That's all for today sweetheart, Good night and pleasant dreams,

I love you with all my heart and I will always,

Yours, ~~xxxx~~
