Hello My Darling,

My plans for today on going to Frankfurt was nullified since when I woke up this morning it was raining and it didn't stop until noon. Just finished eating supper and it started raining again.

I spent the afternoon by going down and giving the photography a visit. He wanted to see my camera and tell me how to achieve better pictures. I feel that after our afternoon discussion which consisted mostly on photography I left with a better understanding on how to use the proper aperture and timing during the different hours and setting of the sun.

I hope that you are enjoying better weather at the mountains than we are having here now.

There wasn't any mail from you today dearest but I received a letter from Bobby enclosed was an application for voting in the coming elections. Now that I am eligible to vote I intend to take full advantage of the opportunity. I already filled out the application and now I have to wait for my ballot. Do you intend voting in the State wide election?

*Good night darling, and pleasant  
dreams I love you with all my  
heart and will forever*

*yours,  
Ben*
