My Darling Sweetheart,

I'm so angry that I feel like pulling out all my hair cause all fellows with 70 or over points are leaving the outfit on Monday to be transfered to a division slated for the POE or possible already at the port. Just think honey just two ,TWO big points prevents me from being on the list for shipping out on Monday which probable would have meant that I'll be home by Thanksgiving but as it is darling I'll now have to wait until the next call is make of men under the 70points. I hope that the rumor that I heard ~~xx~~ and wrote you about yesterday comes true and if it does it meansx that I'll be leaving around the 15th of Sept. I will feel much more at ease when I hear that I'm leaving the outfit. Hope that the day isn't far off dearest. My hopes are now higher now that I know that the men with over 70 points are departing on Monday. The big question now is how long will I have to wait until their is another shipment in the company. From my original sward only three of us will be left, and all of us have 68 points. Men with low points are due to replace the men that are leaving. I'll continue to keep you informed on the latest developments as they occur.

Today I packed up then fountain pen that I won through the Px and was intending ~~it~~ to send it to Mom cause it's been a very long time since I've sent her anything and I think that she can use a good fountain pen Now that I know the higher point men are leaving prehaps it won't be long before I'll be on my way and I figure that if I sent the package since it is small it might get lost or I might be home before the package arrived. Going to think it over, and I just thought about sending the package by first class in which case it should arrive quickly.

I was also informed today that my name is third highest on the list from my platoon to go on pass but now I'm in doubt if I should except the change since their might be a shipment while I'm on my pass. Will have to inquire ,if I'll miss my opportunity to go home when scheduled, if I'm not present at the company.

*Just check sweetheart prehaps we will be eating to
Christmas dinner together and till I'll really be able to
tell you how very much I love you and missed you constantly as I
do now
Yours Ben xxxxxx*
