Hello My Darling,

Regret to hear of your accident causing the sprained ankle. I hope that by this time you are hopping around again and in the best of health.

Your special letter of August 25th related the news to me plus I received your letter dated a day later. Surprising that you left the mountains on Saturday instead of spending the week-end there. Mean to say that a little drizzle prevented you.

Also enclosed in your letter was the three wonderful photos of yourself but darling seeing the pictures only makes me more anxious to take a few pictures of you. I must admire your lovely bathing suit if I already didn't do so. It looks very chic on you. The picture that I like the best is the one of you in the side position. That picture came out clearer than the others.

No Jack did not transfer with me to the 1st armored division. He is still in the 12th. Jack was suppose to go to the 2nd armored until the last minute when the shipment was cancelled.

You wrote, "I hope that before the next five pass we will be on our way to making our dreams come true". I assume that you meant five YEARS but darling I have hopes that it will be much, much sooner than that.

I'm spending a lazy afternoon in the house dearest just having the bull session with the others fellows from the squad that are leaving. Instead of Tuesday the boys are now slated to leave here tomorrow morning. I've heard a good rumor on us fellows with over 60 but under 70 points but I prefer not to tell it to you yet dearest cause I myself may be in for a let down and there isn't any reason why you should also.

This evening I intend going to the show at service company., to see the picture "Unseen" I Myself never heard of the picture.

*Good night darling and pleasant dreams, I
love you as always and I will forever.*

*yours
Ben*
