My Beloved Judy

Saturday
Sept 26, 1945

Another Saturday is here and passing. Not many more (days) before I'll be with you.

The weather has gotten much warmer therefore I decided to take a pass to Paris. I'm expect early to go tomorrow morning and I'll be returning around mid night. Cause there isn't anything to do here all day tomorrow. I figured that one day seen Paris would be interesting. Who knows when I'll get another opportunity to see Paris.

This evening I intend going to the movies after finishing this letter to you.

Sweet heart nothing new has happened and each and every one of us is waiting patiently till the day arrives when we get orders to move out of this camp after my group leaves the camp is closing down.

Good night my love's pleasant dreams I love you with all my heart and will forever yours, Ben
