AMERICAN RED CROSS

Monday  
Oct 22<sup>nd</sup> 1945

My Beloved Judy,  
after noon chow, I'll be headed  
back to camp, possible renew my  
pass and return tomorrow or the  
following day.

Spoke to one of the fellows  
that came in this morning from  
camp and he related that the  
80 point men and above have  
departed to the staging area or  
P.O.E., I know that they are out of  
the way, I hope it won't be too  
long before we start moving in  
a homeward direction.

Last night we went to a  
French theatre to see an English  
speaking picture, "Pastor Hall"

AMERICAN RED CROSS

you might recall that this is a very old picture, but it certainly was worth while seeing, and for many people it refreshes their memory of the brutal treatment of the Nazis, in Germany, when they were in power.

yesterday was election day throughout France and surprisingly the Communist have shown tremendous power, in, incomplete election returns.

Darling, I so much wish that I could be with you, instead of the way it is. The days seem to be lagging now, and I'm becoming very impatient and discouraged at this pro-long waiting.

Nevertheless, dearest, I love you with all my heart, and will always  
yours,  
Brenda
