Dearest Judith,

Finally received your letters, in fact two in the same day. One I got at the 12:30. lock mail call and the other at the 5:30 lock mail call. The second one was the one you mailed yesterday.

As far as looking up that fellow you mentioned I think it would be impossible because you didn't mention his company letter.

I don't think a fellow can be lonesome for other fellows because there are so many

fellows in this army. I don't
see why they need me
one more or one less
won't make much difference.

There isn't much work
to be done around here
for me. They keep me
busy doing detail work
or drilling which isn't hard
at all. It's like a vacation
here compared to the
next camp I will go.
at the next camp I will
have to receive my basic
training. It depends upon
what branch of service
that I enter, the length of
period of my basic training.

Tonight I'm going to
meet Bery. I think we
will go to the movies.

Love + xxx
I LOVE YOU AS ALWAYS Ben
